STAT

I appreciate your coming in to see me, and your evident interest in the Central Intelligence Group.

I have had the possibility of your joining us looked into and regret to have to inform you that, for the time being at least, there is no suitable existing vacancy to which you might be assigned. It has been necessary, as I am sure you can understand, to give priority to the filling of our senior key positions during the buildup of our organization, and those which might be of interest to you have all been filled.

I am returning herewith the personal history which you left with me.

Sincerely,

A/ — To C R 9-15-47
